**TRUSTEE'S REPORT OF SALE**

---

The undersigned Trustee provides this Report of Sale pursuant to Bankruptcy Rule 6004(f)(1). After the giving of Notice as required by Bankruptcy Rules 2002(a)(2) and 6004(a).

As part of a global settlement agreement (Doc#: 340-1), Trustee received \$242,357.32. The source of these funds was Debtor's sale of real property in Park County, Wyoming. The legal descriptions of the parcels are attached as Exhibit A. The parcels were part of the land known as the Whispering Winds Ranch, and were the parcels that housed the guest house. The real property was subject to Trustee's claims to recover property in AP 15-00015. Debtor sold the real property through a realtor without authorization or bankruptcy court approval to the Wright Family Trust. The Estate filed a *lis pendens* on the real property, which prompted the Wright Family Trust to contact Trustee and the Estate's attorney, Trent Gardner.

Pending resolution of the adversary, the proceeds of sale were held in Gardner's trust account. As part of the settlement agreement, a portion of the proceeds were paid to the estate. The estate received the \$242,357.32 on June 24, 2016, after \$110,000 were paid to Debtor's non-filing spouse per the settlement. Although Trustee did not liquidate the real property, the funds resulted from the sale of the real property. Therefore, Trustee is reporting the sale in an abundance of caution to ensure all property of the estate is properly reported.

**DATED** this 21st day of December, 2018.
